How the tiers work

- Tiers are cumulative: each carries everything in the tier below as well as its own.
- Speaking places, session roles and any association with the Nairobi Water Operators Declaration are confirmed by GIWEH and the Organising Committee under the governance of the programme.
- Branding, profiles and listings are placed in Forum communications agreed with the partner. Artwork is supplied by the partner and approved before use.
- Delegate passes and Gala tickets are transferable within the partner organisation.

Other ways to partner

A contribution may also be shaped around one element of the programme rather than a tier: a thematic session, a delegate travel fund for operators from small towns and rural schemes, or the drafting of the Nairobi Declaration. The secretariat will prepare a written proposal on request.

Payment

All figures are quoted in US dollars and settled by bank transfer to the USD account below. Please quote the invoice number, or the payer's name with "AWOF 2026", as the reference.
